Hello,

I'm just taking this opportunity to informally invite everyone to the WS Community Counseling Center's building dedication on March 6<sup>th</sup>. Our building has been newly remodeled and we've moved back in. It's going to be a grand event, an open house celebration and you are all more than welcome to attend. Here is an agenda that was provided by Guy Wallulatum, one of people presiding over this ceremony.

Please forward this to anyone I may have overlooked.

Sincerely,

Michael H. Martinez
