

# Exploring the Purpose of the Coalition

Day 1 Engagement Activity

# Background

Coalition Building is the organizing of a group of people and entities that have a shared interest

Elder health

Tribal priorities

Indigenous values, science, and ways

Advocacy

Influence into initiatives

# Addressing Our Needs

Organize to build community power for advocacy and best practices for elder brain health prevention and health promotion

Discuss at your tables, write on the sticky notes, and the project assistants will be there to help answer questions and guide this work. Place sticky on the white sheets per question items. And then place dot stickers to top three items.

We will summarize and report back to you.

# Question 1

What are some ways the Coalition can serve the Tribes needs?

## Question 2

What types of leadership do you want represented on the Coalition?

## Question 3

What are the priority areas you want the Coalition to focus on?

## Question 4

In what ways do you want to the Coalition to report back to you or to your Tribal leadership?
